OUR LEADERS TPI-NM\$:

4 new bulls and good progress help to significantly increase the level of our offer:

NAXEL - NEW NM\$ +861

NAXEL is our #1 NM\$ (+861)! He is one of the best active bull to build a long lasting and productive cow: Milk > 1000 + Productive life >6.0 + DPR >2.0 + Type >2.0 + SCE <6.5%

This KERRIGAN's son out of YODER comes from the international cow family Co-op Celsius Jolynn. His second dam is the full sister of JOSUPER in USA and JOCLASSIC in Germany (MGGD: Uecker Beacon Joyfully EX90 – Picture).

NIXI – NEW NM\$ +847 & TPI +2742

NIXI is a specialist of Milk, Protein, Fat and Type. He combines a perfect strong and functional type (+2.12) with enough Milk (+1220) and a super Fertility of +3.2. NIXI's dam comes from Clear-Echo FBI 1461 EX90 family who produced bulls like TANGO, TUFFY, TIMMER... She is preceded by 5 generations classified VG&EX.

Dam: IHG Lottomax Tania GP82-2YR

NIGHTFEVER - New NM\$ +824 & GRAZING

NIGHTFEVER is a modern bull out of Lacrest Cosmopolitan family! He provides high milk production (+1240) with perfect functional traits (SCS 2.57 + Fertility +3.0 + PL 6.1) and the perfect moderated size but strong cow! Her dam was intensively flushed in our donor station. She is now pregnant to start her lactation as NIGHTFEVER's second dam who produced L1 305d 36.734 lbs!

NUMBER - New GRAZING +3.8 Fertility

Our #1 for Fertility +3.8 and Productive Life +6.8! NUMBER makes large cows (+1.2) without useless size (+0.51). Feet&Legs are ideal (+1.7) to complete this description. NUMBER doesn't miss Milk (+1550) and easy calving (6.0%).

NUMBER's family is one of the best bull dam family in France producing no less than 15 active bulls in the last 20 years (Miss Tradition Lolli French tree family: LORAK, UMANOIR, ROUKI, LIDEAL, FLEECY ISY...). 4 generations are active in the herd. The fourth dam produced 115.700 lbs of milk with less than 1.5 service per pregnancy!

With his top milk level (+2236), **LANISTER** increases to cross the 800NM\$ threshold! **MAINLY** is the fifth EVOLUTION active bull over 800NM\$. This 5 top bulls come out of 5 different sires and maximize your possibility of mating!

OUR TOP IN EUROPE

NUCLEUS (Bourbon x Supershot) is the only bull in Germany to associate milk >1500 & Udder >130 & RZN >130 & RZR >115.

NEVERMIND (picture) is well ranking in many countries: #10 in Netherland and #1 foreign (+357NVI), +767 NM\$ and +148 RZG.

MANANA RED still keeps the leadership to combine TPI, NVI and RZG in the RED population

NORLAND, **MITZUKI** and **MULTICAST** were sire of sons in Scandinavian countries after April proofs.

OUR TOP IN FRANCE

NEWSTAR is our new #1 +219 ISU! Plenty of A2A2 milk, exceptional type (+4.7) and high GENOSANTE values (+1.5) make NEWSTAR the perfect LOUXOR's successor! His dam, Lacapital, was #6 for type in Europe (PTAT +3.49). This Capital gain daughter comes from a VG MOGUL, a VG MAN-O-MAN, a VG GOLDWYN to Brabantdale Triumphant Spooky EX, 170.000 lbs produced and 40 VG&EX daughters! NEWSTAR's semen will be delivered after October 2018 only in sexed semen.

Second dam : Morsan Mogul Spooky VG86-2YR

Other active LOUXOR's sons are **NARBOR** (Prot +2.5% & Milk +1022), **NARCOS** (Type +4.2) and **NESQUIK** (ISU +214 & Fertility +2.9).

Many alternative pedigrees are available like **NOUDEC** (COMMADEUR x HURION ISY = 124kg Fat+Prot), **MARATHON**'s half brother **MOYRATH** (JEPSILON +3.7% Prot) and the complete package of **MULTICAST** (DOORSOPEN +2.7 LGF)!

EVOLUTION : strategic confirmations with daughters

#1 Proven in France: with 3.234 daughters in milk **HURION ISY** is more than ever the leader of the French proven ranking. Breeders are unanimous on the HURION's daughters quality.

Same situation with **IZNOGOUD**, very stable with new daughters.

HOSPADOR is coming as proven bull. With 277 daughters in milk, he confirms his leadership for Fertility (+3.5) and Longevity (+2.5) without missing milk (+757). We expect more classified daughters next December proofs to finalize the confirmation.

HOSPADOR's daughter
