PACTOLE

NEW

Blower x Fact x Zephir

He is the new number one for ISU in France at 189! This new hot bull with incredible components (3.9%P and 5.5%F) has a great start. Pactole can also bring superior udder health (1.3), fertility (0.8) and milking speed (0.9). Add to this also very strong feet and legs (1.6), complete udders and type, he is a perfect choice for robots dairy farms. He is the highest Blower son, bringing an interesting combination with Fact. His dam gets high components and also high production, starting her 2nd lactation with 44 kg/day on a robot farm. This balanced medium sized cow shows a VG udder too. Grand dam and great grand dam are also still milking on the farm! He ranks #8 in Switzerland with 1464 GZW and #32 in Italy with 1033 ITE. Pactole is BB and A2A2 and now available both conventional and sexed.

Musolde, PACTOLE's dam

PHENIX

NEW

Narcotic x Hamster x Espoir

Lecture, PHENIX's dam

If you look for an outcross bull, don't miss this one ! Not only original, he also ranks very high with 171 pts ISU, super components from a hard working cow family. His dam starts her 3rd lactation and his grand dam is her 4th lactation, both producing over 8500 kg with 4.5%F and 3.6%P. Phenix is also a fitness specialist for long lasting cows at +1.4 udder health and +0.9 fertility. He will add good frames with super rumps and top lines, shallow udders with ideal medium teat length. He is AB and A2A2, available conventional only for the moment.

O MALLEY

Bender x Glarus x Dally

He is a big winner of this run with the jump of his sire Bender that added a lot of daughters ! He is up 8 pts of ISU at 174 and ranking still in the top of most countries ! He is #4 in Switzerland at 1481 GZW and a wow 146 udder with 987 milk ! He is 172 PPR in USA with 1.23 udder and +2.7 DPR ! In Germany he keeps 120 GZW with 141 udder ! And in Italy he is the best Bender son for udder at 126. BB and A2A2, he is available sexed too.

Lilipus, dam of O MALLEY

PENALTY

Bender x King x Hard Rock

PENALTY

Like O MALLEY he is a big winner of this December run, another high Bender son for components and type, from the famous cow family of Traction and Hamster! The combination is different with King (Carter) and Hard Rock (Payssli) and Penalty is scoring very high for udder health (+2.1), very easy calving (91), fat% (+4.4) and overall type at +1.9! He is BB and A2A2, only available conventional for the moment.

OPTIMAL

Sinatra x Blooming x Vigor

This international sire of sons continues to impress! His sire Sinatra gained many daughters in milk and confirms the high production and functionality. A perfect match with Fiona family! OPTIMAL is a unique combination of production (+1364) and type (+1.5), along with positive figures in all traits. He ranks at the top in many countries: #9 in Switzerland at 1446 GZW, and #49 both in Germany at GZW 126 and in Italy at ITE 991. He is BB and A2A2, available sexed too.

OPTIMAL

OPINEL

Sinatra x Asterix x Vasir

OPINEL

Like Optimal he is a winner of this run (+5 pts ISU) with the good results of his sire Sinatra. OPINEL can bring high level of components and milk at the same time! He has a very complete profile and will breed balanced strong frames and feet and legs. He is BB and A2A2 and available sexed.

TOP PROVEN SIRES

JEROBOAM

Hulk x Payssli x Nesta

This bull keeps going up with new daughters and also many starting their second lactation. With 7 pts more ISU he is now at +581 milk with 405 daughters and a stunning +1.9 for daughter fertility!! He is also a real « udder maker » and a breeder satisfaction without doubts. He ranks very high in all proven lists at 169 PPR in USA and 1367 GZW in Switzerland!

Daughters of JEROBOAM

HAYSSLI

Payssli x Traction x Jolt

This underestimated bull deserves a special feature: he is the best french proven sire for udder and global type. At +1.7 udder and +1.8 overall score he is in the top 10 proven bulls worldwide! His daughters keep impressing on the field and aging very well like Payssli daughters. His famous dam Traction Fiesta EX 91 is still in production with 80557 kg lifetime in 6 lactations! If you want to breed beautiful cows with a proven bull that can compete in the show ring but also in the barn, Hayssli can do it consistently!
